Mr. John T. Campbell, Head
EBC Monitoring Service
Coversham Park
Reading, Berks.
England

Dear John:

Attached is the signed copy of the Record of the Eighth Meeting of the FBIS-EBC MS Coordination Committee, with Mr. Dulles' approval, for your official records. We also recently forwarded through Roland six additional copies of the minutes in response to your request.

I hope that you found the balance of your trip pleasant. We certainly enjoyed having you and Tangye Leen here, and wish you both could have stayed longer.

Sincerely,

STAT
